

Jesus Christ – King of Glory is a beautifully produced A5 booklet which captures the richness and wonder of the biblical image of the Lord Jesus. Just under two hundred biblical texts have been used to build up a word picture of Jesus. The Scriptures abound in phrases and metaphors that produce the most wonderful word portrait of Jesus. He is truly the Radiance of God's Glory, the Rising Sun who came to us from heaven, the Altogether Lovely One, the Lily of the Valleys and the Rose of Sharon. He is the Light of the world, and the Bread of life. For those who know him as Saviour, he is the indescribable Gift of God, an Anchor for the soul and a Friend who sticks closer than a brother. He is indeed the Christ, the Saviour of the world.

A5 booklet, 16 pages; ISBN 0 9529939 1 0

Price £2.50

A BIBLICAL PORTRAIT OF

His rule will extend to the ends of the earth
His kingdom is eternal

Leaflets and pamphlets

Ten essential differences between the teachings of SEX EDUCATION AND THE BIBLE contrasts the amoral ideology of sex education with biblical truth. (A5, 4 pages)

Essential differences between Marriage and Cohabitation describes the biblical arguments against cohabitation and evidence of its harmful effects. (A5, 4 pages)

Abstinence or Chastity? describes the ten essential differences. (A5, 4 pages)

A critique of the Christian Aid report – Dying to learn: Young people, HIV and the churches. Pamphlet (A5, 12 pages) demonstrates the amoral nature of Christian Aid's ABC message.

Sexual conduct: biblical advice for young people. Pamphlet (A5, 12 pages) provides sound biblical teaching, emphasising the Christian virtues of modesty and chivalry (treating women with honour and respect). Widely distributed in Uganda.

These leaflets and pamphlet are available free of charge and may be photocopied. However, for large orders (say 100 leaflets or 25 pamphlets) we would accept a donation to cover printing costs.

Lessons in Depravity – sex education and the sexual revolution places sex education in the UK in a historical context. As the story unfolds so the link between the explicit messages of the sex educators and the ideology of the sexual revolution becomes increasingly clear. What emerges is a picture of officialdom determined to provide children with yet more explicit sex education, starting at an even earlier age. To encourage children to use contraception the Government even allows doctors to prescribe contraceptives for under-16s without their parents' knowledge or consent. The amoral ideology of sex education is found wanting in the light of biblical truth. Parents cannot afford to stand back and leave the moral instruction of their children in the hands of State sex education.

Dr Peter Masters (Metropolitan Tabernacle): 'It surprises and even shocks the reader as the progress of sex education in our schools is traced, and the present awful plans and schemes are brought to light... This reviewer would urge the reading of this book as so many of us are unaware of the extent to which humanistic, anti-Christian, anti-moral thinking has come to dominate the world of education.'

Dr ES Williams was Director of Public Health for Croydon Health Authority for 9 years. He is married with five children and six grandchildren. He worships at Emmanuel Church, Wimbledon.

Belmont House Publishing

Sex education, sexual immorality and The Bible is an A6 booklet aimed at young people. Sex education literature is analysed and the underlying amoral ideology exposed. The 'safer sex' message, which is at the heart of sex education, is shown to be false and misleading. The dangers and deceptiveness of sexual immorality is discussed in the light of biblical truth. The reader is shown why sex is meant for marriage, and the virtue of self-control is encouraged. Young people are invited to reject the hollow teaching of 'safer sex' and shown that God's moral law is not only right, but also for their good.
20 pages, ISBN: 0 9529939 4 5

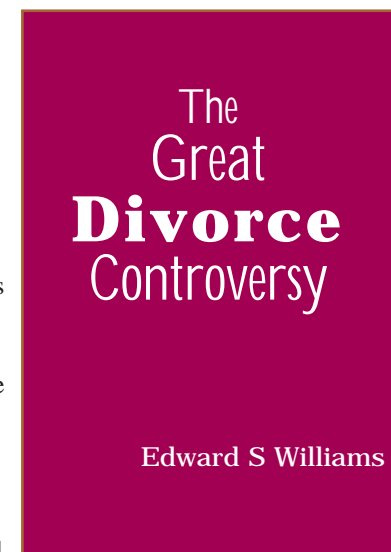

Sexual conduct – advice for young women and ***Sexual conduct – advice for young men*** are companion booklets aimed at providing sexual advice to young people. The wisdom of the world, as portrayed by glossy magazines, the mass media and sex education, is contrasted with the wisdom of God's Word. Sexual conduct is placed in a biblical, moral context, and the meaning and purpose of marriage explained. Young women are shown the importance of modesty, while young men are reminded that a real man treats women with honour and respect—the virtue of chivalry. The value of sexual purity is discussed and the reader is invited to follow the narrow way that leads to life.

Women: 28 pages; ISBN: 0 9529939 6 1 Men: 28 pages; ISBN: 0 9529939 8 8
Price: Individual booklets – £1.00; or batches of 10 booklets – £5.00

The Great Divorce Controversy is unique in that it examines the divorce issue from the widest possible perspective, searching for the ideas and attitudes that underlie the move to mass divorce. The history of divorce is described through a series of debates in parliament and the Church which started prior to the Divorce Act of 1857. Evidence of the effect of divorce on men, women and children is discussed. A further strand is biblical teaching as it relates to marriage and divorce. A major factor in the move to mass divorce has been the changing view of marriage that flowed from the Reformation, which emphasised the secular nature of marriage and permitted divorce for adultery and desertion among other things. The grave social and personal problems caused by divorce are discussed, and the view that warring parents should divorce for the sake of their children is shown to be false. The author concludes that marriage is an indissoluble union. The Christian Church, therefore, needs to re-examine its teaching with regard to marriage, divorce and remarriage in the light of biblical teaching.

Author: ES Williams. Hard cover, 464 pages, detailed index, 22 illustrations
Price £25.00 ISBN: 0 9529939 3 7

The booklet ***Cohabitation or marriage?*** discusses the increasing trend in cohabitation. It outlines the biblical view of marriage and shows why cohabitation is not a good idea, describing the negative consequences for those who choose to cohabit. The authors show that marriage is God's intended way, and conclude that cohabitation is morally indefensible. The information provided will be of value to Christian leaders, youth workers and of course, concerned parents.
